2. A set of technical specifications for the above items are provided in Attachment/s # 1. All items listed under the purchasers’ specifications must be complied on a pass-fail basis. Failure to meet any one of the requirements may result to rejection.
- (i) Evaluation procedures of quotations will be conducted by the Bids and Awards Committee (BAC) in accordance with the provisions of the Implementing Rules and Regulations (IRR) of Republic Act 9184. Offers determined to be substantially responsive to the technical specifications will be evaluated by comparison of their prices. In evaluating the quotations, the Bids and Awards Committee, thru the Technical Working Committee (TWG), will determine the evaluated price for each proposal by adjusting the price quotation to correct any arithmetical errors as follows:
- (a) where there is a discrepancy between amounts in figures and in words, the amount in words will govern;
  - (b) where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern;
  - (c) if a Supplier refuses to accept the correction, his quotation will be rejected.
3. It is the intent of the Bids and Awards Committee (BAC) to evaluate the quotation for each item separately, and award will be made to the combination of quotations resulting in the overall highest cost per lot which shall be equal to or higher than the Approved Budget for the Contract (ABC) as stated in the RFQ. However, award shall

be made on per line item basis in cases where the RFQ specifically states such. **Job Order** Contract Award will be made to the highest evaluated quotation(s) meeting purchasers' technical specifications and compliance to eligibility/accreditation requirements.

4. Quotations must be delivered at the address below not later than 8:30 AM on October 19, 2020.
